

Certificate of completion

Mthabisi Moyo

Has successfully completed the U4 facilitated online course on

Anti-corruption in fragile and conflict-affected states

This three-week, expert led course provided learners with knowledge of why and how anti-corruption measures should be adapted in fragile and conflict-affected states. Topics covered during this course included: how corruption manifests, the relationships between corruption, fragility and conflict, and how to adapt anti-corruption programming in fragile and conflict-affected states.
